I have completed this health form to the best of my knowledge. I understand that Lymphatic Enhancement Therapy is a therapeutic health aid and does not take the place of a physicians care when indicated. I have been given instructions by the Lymphatic therapist and/or signed the Lymphatic Enhancement Therapy consent form informing me about the possible detoxification (cleansing effects) of lymphatic (ARIA L.E.T.) and photonic therapies (Eclipse LED light). I understand that such effects may be of concern for one to three days following the therapy session. I will call the office during business hours if I have any concerns after the Lymphatic Enhancement Therapy session.
